

Business VoIP

Business VoIP

Business VoIP from 247Desktop allows you to enjoy all the features of traditional office-based telephony at a fraction of the costs.

One of the best things about our hosted VoIP platform is that you don't need to purchase or maintain a PBX. You can enjoy state-of-the-art features without the capital expenditure – simply pay a monthly fee per user. The system is a ready to go business telephony solution.

Key benefits

- ✓ Free UK Landline calls
- ✓ Great call rates
- ✓ Amazing features
- ✓ DR ready
